Keep the northern part of the Gransha Ward in Lagan Valley

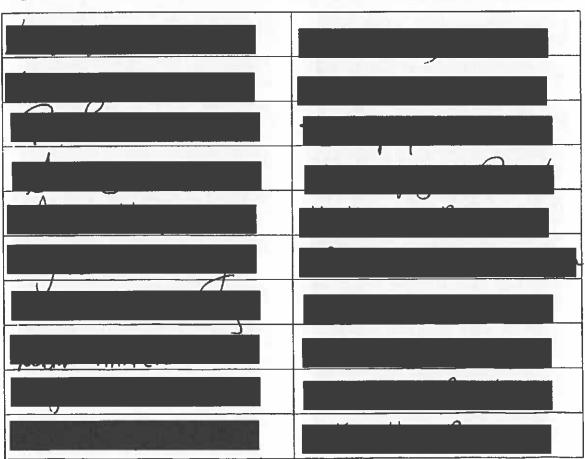

TULLIVDONET - LEAPOGUES - DRUMILLER RESIDENTS GROUP

We the undersigned electors and residents of the northern part of the Gransha Ward, currently in the Lagan Valley Constituency, wish to express our concern and opposition to the Boundary Commission's revised proposals to transfer our area to the South Down Consistency.

This opposition is on the basis, as set out in detail with the attached submission, that the transfer would result in a real and damaging breaking of local community ties in our area, in particular leaving it isolated and cut off from its two natural centres of community life, the town of Dromore and Village of Dromara.

Given this, we strongly request that Commission maintain the current Constituency boundary as it runs through the Gransha Ward, keeping the ward split between the Lagan Valley and South Down.

TULLINDONEY - LEAPOGUES - DRUMILLER - RESIDENTS GROWT

We the undersigned residents of the Gransha ward in the Parliamentary Constituency of Lagan Valley wish to express our outright opposition to the proposed transfer of this part of Gransha ward to the South Down Constituency. The communities represented within this ward are closely aligned to the towns of Dromore and Dromara and the transfer of the ward would significantly disrupt these historic local ties.
