---

I Stephen Patrick Allen wish to object to the revised Boundary Commission proposals 2018.

As a Nationalist voter in East Antrim, these proposals will leave me with no Nationalist representation for decades. I do not wish to see a return to the gerrymandering of boundaries that was practised by the old Stormont administration.

The 2018 proposals are not a fair representation of the demographics of the North and should be abandoned. For fairness and equality I would ask the Commission to stay with their proposals as presented in 2016.

Yours faithfully

Stephen Patrick Allen
