Re: Consultation on Provisional Recommendations by Boundary Commission

Dear Boundary Commissioner

I write on behalf of the Breakaways Club, a community group within the Macedon area of North Belfast that has been in existence for nearly twenty years. We offer social, recreational and educational activities to senior citizens to help reduce isolation.

We wish to inform the Boundary Commission that we do not want to be moved to a new Parliamentary Constituency that we have no links or connection to.

We attract our members from Rathcoole, Rushpark, Rathfern, Kingspark, Glengormley and beyond. We are all in total opposition in our removal from North Belfast.

We come from, live in and enjoy being part of North Belfast and have no desire to be used as pawns to create unjustifiable constituencies.

We support the DUP submission of us remaining in North Belfast and offer it our full support.

Yours Sincerely

Mrs Joyce Campbell
